J A L A N D H A R

Organized By
Department of Mechanical Engineering
&
Department of Computer Science & Applications

About DAV University

DAV University, Jalandhar is promoted by DAV College Managing Committee which is India's single largest non-government educational organization managing more than 900 institutions in the country. It has been providing students with an excellent education in modern academic environment. The University established by a Legislative Act of the Punjab Government traces its roots to the legacy that has been reforming and redefining India's educational scenario for 130 years. It is a multi-disciplinary institution, home to faculties of teaching excellence in subjects from engineering to languages to natural sciences including physical and life sciences.

Location

The campus of DAV University is located at Village Sarmastpur - about 10 km from Jalandhar on the Pathankot Highway (NH 44). The city is connected with the rest of India by rail and road links.

About the FDP

Nowadays, multidisciplinary research is the future of science as evident from researchers fetching R&D projects from the heterogeneous areas. The varied computing tools, interdisciplinary research and the use of information technology are transforming the research culture in academia as well as industry.

The purpose of FDP is to inculcate confidence in the usage of statistics and interpretation of research data and also to educate the participants about the latest techniques and methods used for effective analysis of research data.

Who Can Attend

Program is meant for those who are pursuing their Ph.D or are carrying out research in any field. Any faculty member of an Academic Institution/ University can attend the Program.
