

Department of Mechanical Engineering

Computer Aided Design Laboratory

CAD (Computer Aided Design) provides means to create designs for wide variety of mechanical design and analysis problems. Laboratory is equipped with latest software's to carry out 3-D modeling, assembly drawings and performs, engineering analysis in the domains of heat transfer, fluid flow, vibration etc.

Lab In-charge: Dr. MP Garg & Er. Sumit Nijjar

Technical Staff: Mr. Hargopal Singh

Name of Licensed Software:

- Software Creo 2.0 (License)
- Software MSC (License)
- Design Expert V-10

Apparatus:
