

DAV UNIVERSITY, JALANDHAR
Department of Mechanical Engineering

AGENDA

(Board of studies in the Department of Mechanical Engineering)

A meeting of Board of Studies in the Department of Mechanical Engineering is scheduled to be held on 17-08-2023 in committee room of DAV University, Jalandhar to discuss the following agenda:

1. To discuss and approve the outline of syllabus and course of reading for 2023 batch onwards admission for the following programs:
 - a) Bachelor of Technology in Mechanical Engineering
 - b) Bachelor of Technology (LEET) in Mechanical Engineering
 - c) B Tech-M tech Integrated in Mechanical Engineering
 - d) Master of technology in Mechanical Engineering (Full Time/Part Time)
 - e) Doctor of Philosophy (Full Time/Part Time)
2. Any other item, that the member may feel relevant for discussion.

17/08/23

Dr Sharanjit Singh

Dated:17-08-2023

Coordinator (Mechanical Engineering)

DAV UNIVERSITY, JALANDHAR
Department of Mechanical Engineering

Proceedings of Meeting

The meeting of Board of Studies (BOS) in the Department of Mechanical Engineering was held on 17th August, 2023 at 10.00 AM in committee Room of DAV University, Jalandhar.

Following members were present in the meeting:

1. Academic Expert:

- a) Dr Anish Sachdeva, Professor, Department of Industrial and Production Engineering, NIT Jalandhar.
- b) Dr Manu Dogra, Associate Professor, Department of Mechanical Engineering, P.U. Swami Sarvanand Giri Regional Centre, Hoshiarpur.

2. Industry Expert:

- a) Dr Sarabjit Singh, Principal Director CIHT Jalandhar.
- b) Mr Rajkaran Singh, Director, Unison Lawn Equipment Jalandhar.

3. All the regular faculty members of the Mechanical Engineering Department.

4. Alumini:

- a) Mr Vishal Sharma, M tech Mechanical Engineering (Batch 2014-2016), Presently Assistant Professor, LKIET Jalandhar,
- b) Mr Amritpal Singh, B Tech Mechanical Engineering (Batch 2014-2017), presently: Sales officer, JK tyre,

5. Final Year Student:

- a) Mr Mandeep Singh. Reg. No: 12101348, B Tech Mechanical (LEET), 7th sem, DAV University Jalandhar
- b) Mr Tejveer Singh. Reg. No: 12100320, B Tech Mechanical, 5th sem, DAV University Jalandhar

Following agenda was discussed:

A. The proposed schemes were discussed at length and BOS recommended the outline of syllabi and course of reading for 2023 batch admission and onwards for the following programs:

- a) Bachelor of Technology in Mechanical Engineering
- b) Bachelor of Technology (LEET) in Mechanical Engineering

[Handwritten signatures and initials at the bottom of the page, including names like Tejveer Singh, Karand Singh, and others.]

- c) B Tech-M tech Integrated in Mechanical Engineering
- d) Master of technology in Mechanical Engineering (Full Time/Part Time)
- e) Doctor of Philosophy (Full Time/Part Time)

B. For students admitted in Bachelor of Technology (LEET) in Mechanical Engineering 2024, the scheme and course of study applicable to 2023 batch will be followed and this trend will also continue for successive batches of admissions.

C. In Bachelor of Technology program:

- The contents and scheme of model curriculum proposed by AICTE is taken into account.
- Student pursuing B. Tech. (Mechanical Engineering) may opt for Minor Degrees like Artificial Intelligence, Machine Learning, Data Sciences, Computer science and Engineering, Agriculture Engineering and electric vehicle etc. offered by the different Departments in the University depending upon his/her interest.
- For minor degree student must attain additional 18 credits with minimum five theory subjects and project or six theory subjects form second years onwards. Any of the course in scheme of aforesaid UG courses can be offered in course work of minor degree.
- The content of such minor degree courses should not match with regular subjects of core course.
- The student(s) will submit the application for opting minor degree course to the coordinator of the department. The coordinator of the department will forward the application to the office of Academic affair for permitting the students(s) to register after duly verification and recommendation from the concerned teacher taking the course of that class for the attainment of credits for minor degree course work.
- As per NEP 2020 multiple entry and exit can be offered but strictly as per guidelines of UGC, AICTE and DAVU NEP Curricular Guidelines. Students exiting after completing 1st Year, 2nd Year and 3rd Year will be awarded Certificate, Diploma and Advanced Diploma in Mechanical Engineering respectively. A minimum Credit requirement for Certificate is 40 Credits, Diploma is 80 Credits and Advanced Diploma is 120 Credits respectively.
- Any program elective can be offered irrespective of its number or from inter disciplinary departments.

D. In the Master of Technology i.e. Mechanical Engineering (Full Time/Part Time) Program:

- The contents and scheme of model curriculum proposed by AICTE and M Tech Mechanical Engineering (2016 batch) is considered.

A large number of handwritten signatures and initials are present at the bottom of the page, including names like 'Anand Singh', 'Vishal Singh', 'SM 1/2021', 'Tejveer', and 'Karan Singh'.

- In PG courses, specializations can be offered in: Thermal Engineering, Design Engineering, manufacturing and automation engineering and Industrial Engineering etc with the recommendation of DRC (Department research committee).

E. In the Doctor of Philosophy (Full Time/Part Time) Program:

- Any of the course in scheme of aforesaid PG courses can be offered in course work of Ph D (other than mandatory courses) as per the recommendation of Ph D supervisor.

F. After discussion and deliberation about introducing the MOOC courses in UG, PG and PhD in the Department of Mechanical Engineering, the following has been resolved by the Members, Board of Studies.

- The Students of UG, PG and Ph D classes may opt any relevant course from the list of NPTEL, SWAYAM courses available on its official website <http://nptel.ac.in>, <https://swayam.gov.in> respectively against elective courses of scheme.
- The content of such MOOC courses should not match with regular/other subjects.
- The student(s) will submit the application for opting MOOC course to the coordinator of the department. The coordinator of the department will forward the application to the office Academic affair for permitting the students(s) to register after duly verification and recommendation from the concerned teacher taking the elective course of that class.
- MOOC chosen against departmental elective has to be a technical course related to mechanical engineering and for open elective course has to be from any other domain except mechanical engineering.
- The grades/marks along with copy of the certificate obtained by the student(s) from NPTEL/SWAYAM/DAVU will be submitted to the Examination Branch (through the teacher concerned deputed by department through coordinator of the department) for entering the marks/grades of the subject passed in the DMC.

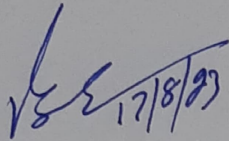

Note: The students are advised to visit the website of NPTEL, SWAYAM for opting a particular course after following the procedure as per DAV University guidelines and are responsible for their registration as well as other terms and conditions to be fulfilled as laid down by NPTEL/SWAYAM.

For UG, PG and Ph D if required Department electives, open electives, Value added, Audit course, Ability enhancement and Generic elective courses can be opted from the basket provided by different deptt of university or from DAVU NEP Curricular Guidelines strictly as per credits provided in scheme of programme.

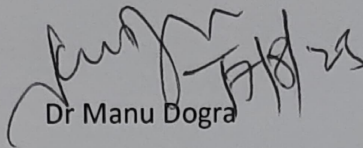

A collection of handwritten signatures and initials in blue ink. From left to right, there are several distinct signatures, including one that appears to be 'S. S. Srinivasan' and another that looks like 'S. S. Srinivasan' with 'Vishal Srinivasan' written below it. On the far right, there are two more signatures, one of which is 'Tejinder Singh' and another that is less legible. There are also some initials and a date 'SW 1/2/21' written in the bottom right area.

If department offers B Tech-M tech Integrated in Mechanical Engineering, for first three years scheme of B Tech mechanical engineering is followed and from 4th year onwards scheme of M Tech mechanical Engineering should be followed.

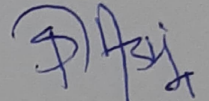

Signature of Member Present:

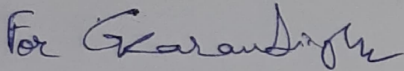

Dr Anish Sachdeva
Professor, Department of IPE
NIT Jalandhar.

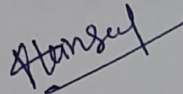

Dr Manu Dogra
Associate Professor, Department of ME
P.U. Regional Centre, Hoshiarpur.

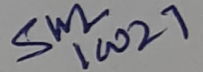

Dr Sarabjit Singh,
Principal Director
CIHT Jalandhar

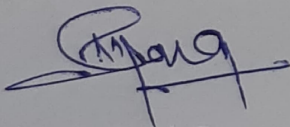

Mr Rajkaran Singh
Director,
Unison Lawn Equipment Jalandhar.

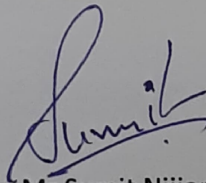

Mr Vipin Bansal
Assistant Professor, ME
DAV University Jalandhar

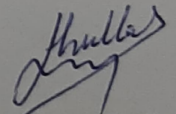

Dr Sharanjit Singh
Coordinator, ME
DAV University Jalandhar

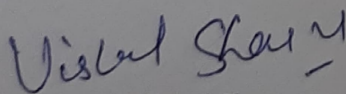

Dr Harish Garg
Assistant Professor, ME
DAV University Jalandhar

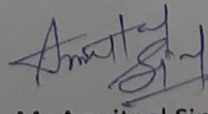

Mr Sumit Nijjar
Assistant Professor, ME
DAV University Jalandhar

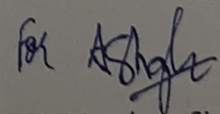

Mr Ved Raj Khullar
Assistant Professor, ME
DAV University Jalandhar

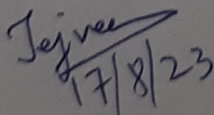

Mr Vishal Sharma
Assistant Professor
LKIET Jalandhar

Mr Amritpal Singh
Sales officer
JK tyre

Mr Mandeep Singh
B Tech Mechanical (LEET), 7th sem
DAV University Jalandhar

Mr Tejveer Singh
B Tech Mechanical, 5th sem.
DAV University Jalandhar
