Women Empowerment Cell

Introduction:

The women empowerment cell has been constituted to help women develop their full potential on social, economic, emotional, and mental levels.

Objectives:

1. To organize events and activities for women empowerment and to create an environment for them to realize their full potential.
2. To conduct workshops and awareness programs with a motive to train girls about self-defense, health benefits and skill development.
3. To empower the status of women through education, raising awareness, literacy and training.
4. To empower women to make life-determining decisions in response to different problems in society.
5. To create social awareness about the problems of women particularly regarding gender discrimination.

Responsibilities:

1. Arranging seminars on entrepreneurship and women empowerment.
2. Promoting education of girl child.
3. Adopting villages and identifying the skills of uneducated women and organizing skill development workshops for them. This will help train them become financially independent.
4. Organizing talks on issues related to women health, for example, Breast Cancer.
5. Organizing self-defense workshops for female students and staff members.
6. Arranging counselling sessions for the girl students regarding challenges of growing up.

                                                                                    PTO
